I'm thankful for my family because I love them and they love me. I appreciate food because a large amount of people in the world don't have food like I do.

I'm happy for life because if I wasn't here, I'd be missing all the amazing things I have. I'm grateful for my house because it's comfy and it gives me shelter.

God is amazing. He made me and everything for his own glory. The Bible I can read in public without getting persecuted. Thank you, God.

I'm happy for school because some people in the world can't go to school and learn like me.

I am very thankful for the military men, nurses, firemen, policemen, builders, and medicine. Because what and who would help us with our problems?

I'm very happy for friends because I wouldn't have anyone to be with.

This is what I'm thankful for.

I thank God for what I have.

I am thankful for a comfortable bed that I can sleep on, a lovely house that I can live in, a school where I can learn, and a terrific family who take care of me.

I also am thankful for clean water and food because some people have to go miles to find water and it may even not be clean!

I am happy that I can read and live in a free country where I can pray to my God and read the Bible without getting persecuted.

I give thanks to God that I am healthy and when I am not, doctors and nurses will help. Plants and animals help us have medicine and food.

I am thankful that I can see beautiful things and smell delightful smells and hear wonderful music. My friends I am happy for so that I have people to talk to and so I won't be lonely. When I say I am thankful, I am really thanking God.

I am thankful for....

I am thankful for my family because they are fun to play with and know Jesus. I am also thankful for my mom and for Jesus, our God, because he made everything including every person. I am really thankful for heaven and earth and prophets of God. I am also thankful for church and the Holy Bible and I am thankful for peace, joy, and love.

I am thankful for brave military men and kind nurses who care about our country because if we didn't have those people, our country would be in danger and the people with ailments would not be okay and die and I do not want that to happen to our country.

Those are all the things I am thankful for.

Thank you, God, for giving us food and shelter. I am fortunate to have my brothers, sister, and my parents.

Thank you, mom, and dad for using your money to help me go to this school (G.C.A.) and for letting me learn about God.

God is massive, wise, and intrepid. Thank you, God, for my relatives and Thank you, veterans, for fighting for the U.S.A. I am also grateful for God's fascinating Bible to know about Him so I can obey His commandments. I'm delighted to pray to You because You can help the persecuted church.

I am pleased that God made our amazing countries, states, capitals, and oceans. Thank you, God, for making our holidays and seasons.

I am mostly thankful for Christmas because thats when Jesus was born. I enjoy praying to God, because He always protects my family and friends.
