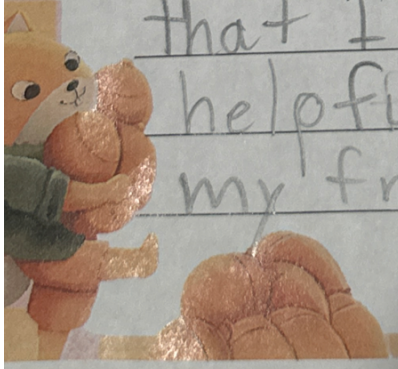
My Qualities

Write about two qualities you have that you are thankful for.

My name is Giuliana Carter and here are some qualities I have to make me wonderful and thankful for them.

My first quality is that I am empathetic. I am empathetic because I can always understand my what my friends and family feel.

My second quality is that I am helpful. I am helpful because I help my friends and make



My Qualities

Write about two qualities you have that you are thankful for.

Sure they feel happy and not sad.
Being empathetic and helpful are just 2 qualities that make me wonderful
