I'm thankful for my family because I love them and they love me. I appreciate food because a large amount of people in the world don't have food like I do.

I'm happy for life because if I wasn't here, I'd be missing all the amazing things I have. I'm grateful for my house because it's comfy and it gives me shelter.

God is amazing. He made me and everything for his own glory. The Bible I can read in public without getting persecuted. Thank you, God.

I'm happy for school because some people in the world can't go to school and learn like me.

I am very thankful for the military men, nurses, firemen, policemen, builders, and medicine. Because what and who would help us with our problems?

I'm very happy for friends because I wouldn't have anyone to be with.

This is what I'm thankful for.

I thank God for what I have.
