My Qualities

Write about two qualities you have that you are thankful for.

My name is Lyla Austin There are qualities I have that make me how I am. I am Thankful for these qualities because they represent me.

My frist quality is that I am kind because I help other's. When they are sad, I cheer them up and if people are mean to me I try to be nice and cheer them up. That's only 1 quality so far.

My second quality is artistic because when ever I
