November 18, 2015

Dear Mom,

Of all the things that I am thankful for I am thankful for you. The rules that keep us safe. They make me feel like someone is protecting me. The rules are very helpful. I love the rules. When you cook mac and cheese it makes my toungue feel good. It tastes even better when you melt it. I love mac and cheese. What are you thankful for Mom?

Love,

Aidan
