Mrs Giglia-Byrne ENL/ELA

I am thankful for Mrs Briscoe-Perez. She is the Assistant Principal at Temple Hill Academy. She helped me when I was bullied. She made me feel better. She told me what to do when some one bothered me. She also took the time to call my mom and let her know everything was alright.

Another reason I am thankul for Mrs. Briscoe Perez is that I always see her in the building. She always smiles and says hello. She also asks me how I'm doing. I'm thankful for Mrs. Briscoe-Perez.
