I'm thankful for my sweet family and for the Holy Bible that I can read. I'm thankful for God and for my caring friends. I love my school where I can learn and I can play the sports I like to play. I'm thankful for the nature that is beautiful and for diving classes that I can go to to learn how to become a great diver. I am thankful for my cousins who live in Florida. I'm thankful for the military and the presidents of the United States of America. I'm really thankful for the air I can breathe and for the trees in the world. I love the holidays and that I can live in this world. I'm thankful for cars that get me to places faster. I'm thankful for my food that I can have and the clean water I can drink. And these are the things I'm thankful for!
