Thank you, God, for giving us food and shelter. I am fortunate to have my brothers, sister, and my parents.

Thank you, mom, and dad for using your money to help me go to this school (G.C.A.) and for letting me learn about God.

God is massive, wise, and intrepid. Thank you, God, for my relatives and Thank you, veterans, for fighting for the U.S.A. I am also grateful for God's fascinating Bible to know about Him so I can obey His commandments. I'm delighted to pray to You because You can help the persecuted church.

I am pleased that God made our amazing countries, states, capitals, and oceans. Thank you, God, for making our holidays and seasons.

I am mostly thankful for Christmas because thats when Jesus was born. I enjoy praying to God, because He always protects my family and friends.
