Mrs. Giglia-Byrne ENL/E1A

I am thankful for two of my 4th grade teachers Miss. Gersch and my ENL teacher Mrs. Giglia-Byrne. They are both kind and very helpful teachers at Temple Hill Academy.

The first reason I am thankful for Miss. Gersch is because she helps me with my math. I am thankful for Mrs. Giglia-Byrne because she helps me understand reading and writing.

I am thankful for both teachers because they are very nice to me. Both teachers let us do fun activities that teach me alot of new things. For example mrs. Byrne let us taste pumpkins seeds and write about it. It was alot of fun and yummy

These are some of the reasons I am Thankful for both Miss. Gersch

and mrs. Giglia-Byrne. They are
both wonderful, fantastic and
fun teachers. I love them both.
