I am Thankful For...

For Thanksgiving I will share what I am thankful for. You should be thankful for something too. Read on to learn more about what I am thankful for.

I am very thankful for alot of things. I am definetly thankful for God's blessing. I'm also definetly thankful for my family. I am also thankful for a home, food. Also clothes and water. No one could live without water.

I'm thankful for alot of other things too. Like myself for example. Also school because if I don't learn I won't get a good job. If I don't get a good job I won't get money for everyday necessities. I'm also thankful for friends in case you need backup in a emergency. Also for medicine to cure an illness.

That wraps it up. That is everything I'm thankful for. Thank You.
