Dear mom and Dad

Of all things I am thankful for, I'M most thankful for my Mom cooking for me everday. Mom you make me taco's, ramen soup and cupcakes. It makes me fell awesome inside because you make the best food. I'M also thankful for my Dad because he buys me things that I need. Dad you buy me supplies that I need for School. this makes me feel good because I will be prepared for School. Mom and dad what are you thankful for?
