I am Thankful for...

I am thankful for the Holy Bible and that I can go a charming church and I'm thankful for Jesus Christ who died for everyone.

I am thankful for my friends and family as well as all my food.

I'm thankful for a Christian school with many pleasant teachers.

I'm thankful that I can live in independance and that I can breathe in the fresh air.

I'm thankful for all my stunning clothes and all the nature, too.

One of the things I'm most grateful for is people who risk their lives for me like police officers and fire fighters, doctors and nurses. These are some people who very much care for me. I am very grateful for all things that God gave me.
