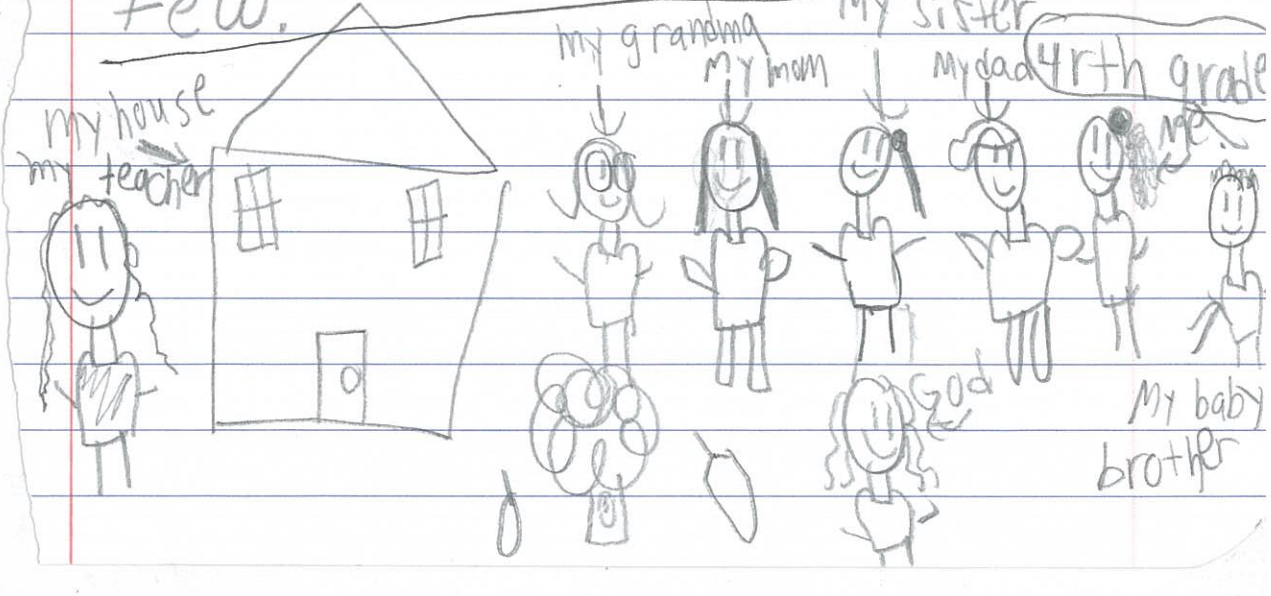
What I am thankful for

Maya Davis 10/29/15

Mrs. O'Neill ELA


I am thankful for my home when me and family are resting and watching a movie that is interesting. I am thankful for the trees and leaves that blow in the summer breeze. I am thankful for god he loves us so much, in our hearts we can feel his loving touch. I am thankful for my teacher she helps me when I need her. There is so many things I am thankful for here is just a few.
