Dear Mom,

Did you know I am most thankful for your love? Mom you cook delicious food every day. The chicken soup you make is full of love. It makes me feel like you are giving me hugs when I eat it. Mom I love when you do my laundry. Mom I love when you do my laudry. When you do my laundry you wash my clothes. I smell so good when you're done. Mom what are you most thankful for?

Love,

Emely
