I am thankful for My mom and Dad because they take care of me. They give me food. They get me to schoolon time. I am also thankful for God for making me a smart child. My Dad and Mom help me with my homework. I am thankful for water and food because without it we will not be able to survive. Im thankful for food my table and to stay healthy. Im thankful for our principal Mrs Peets Butcher. She is a great leader!

Im thankful for my School because without School you can't learn any thing, you won't have a job and you won't have any money. I am thankful for my skin color and how I look. I am thankful for God and Jesus, our 44th president Obama, and Martin Luther king Jr. for giving us equal rights.
