What I'm thankful for

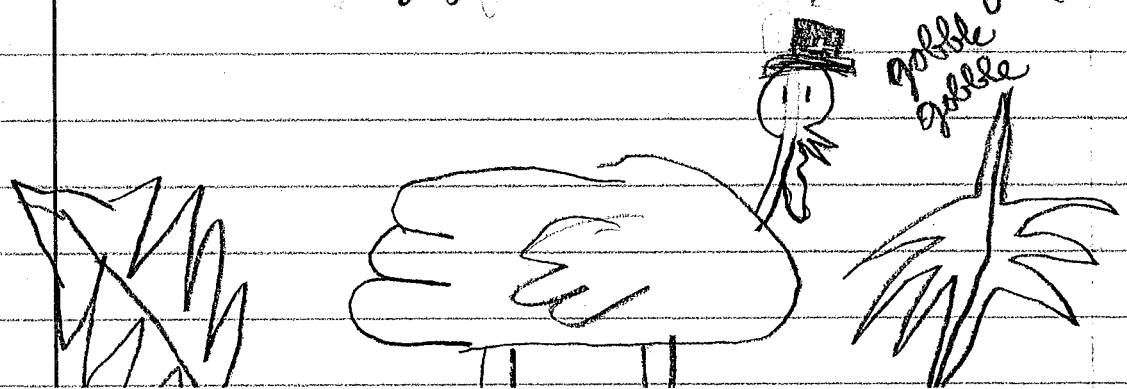
by Evan F

I'm most thankful for many things,
especially those tender turkey wings.

One thing I'm thankfor is my crazy school,
The learning and challenges make it extra cool.

One other thing I'm thankful for is some fun
Without it I wouldn't laugh at a silly pun.

I'm most thankful for water and food,
I'd eat alot of my favorite apples if I could.

An extrordinary one I'm thankful for
are my family members and their lovely gelore.


I'm thankful for lots and lots of stuff
It's easy and not to tough.
