Amin Jahaj 11-18-15

I am thankful for a good school and also I am thankful for such good friends and teachers. I'm happy to have a loving and caring family. My Dad buys me my favorite food, he's a hard working Dad. My mom takes me to my favorite places and helps me with my homework. I love to play with my brother and sister. I live in a great community. My neighbors are wonderful people. My favorite school is Ps.26.
