mrs. Giglia
ENL/ESL

I am thankful for

I've had many wonderful teachers. However, I had a teacher that helped me pass 4th grade. She also helped me in ELA, math, Reading and science. Her name is mrs. Fay.

I am thankful for mrs. fay. One example is that one day I needed help in math. she came over next to me. she showed me how to solve the problem. She was calm and nice.

The next reason I choose mrs. Fay is becase she is kind. she told me how to learn new math. She made it fun and interesting

I am thankful for mrs. Fay. I had some teachers like mrs. fay but she gave me confidence. I knew I could pass 4th grade Now I'm in 5th grade. Thanks for mrs. Fay I am in 5th grade and I know she is proud of me!
