Everything I'm Thankful for

Writen By: Kalissa Goolgar

Are you thankful for anything in your life? Well I am. I'm thankful for everything I have. Here's my favorite 2 things I'm thankful for.

I'm thankful for my parents. After all if it weren't for them I wouldn't be here. My parents fullfill my needs and wants. My parents sometimes are strict, but It is for my own good. This is why I'm thankful for my parents.

I'm thankful for my dog Angel. Yes, I know it's crazy to be thankful for a dog but I really am. Without Angel, I wouldn't be that happy at home. Angel is basically my best friend and watches TV with me alot. This is why I'm thankful for my dog.

Saying all this everyone, should be

grateful for Something Or Someone.
There are a lot of people who don't have parents or a pet to give them love. Dogs are very good companions and they cheer you up when your sad. Parents help you when you need help. They get you ready for school and get you ready for bed. This is why I am grateful/thankful for both my pets and parents.
