Dear Mom,

Did you know I am most thankful for your love? Getting me to school makes me feel so happy. I am happy because I can learn new things in class. When I get to school I am excited because I can eat breakfast. I'm thankful for being loved. Being loved makes me feel so happy. When I come home you give me big kisses. I love you mom because I get kisses every day. Who are you thankful for mom?

From,

Kayla
