I am thankful for my family. I am thankful for my family because they always give me joy. We watch tv together and we eat food together on Thanksgiving. Also I am thankful for my clean clothes I get to put on. I get to put on shirts, socks, pants, and shoes that my mom cleans. Another reason I am thankful for my family is they pack me with food. My family gives me food so I can stay strong, healthy and grow. Those are the reasons I am thankful for my family.
