I am thankful for my teachers caring for our education. I am also thankful for my parents and famliy for caring about me like washing my clothes. I am also thankful for my cat Meme for making me laugh so much! I'm thankful for the principal for molding us to the people we will be in the future. I'm also thankful for the Earth we love and live on. I'm also very thankful for the food we have at my house because some people don't have food. Another thing I'm thankful for is my health and my ability to cook.
