Family, Health and

Expression in which I am and

Which I want to become

My religion, age, and or

Ethnicity without

Being judged is one of the

Many things that I am

Thankful for. I am able to go

To school even though

I am a girl. I live in a free country

That I respect, and love.

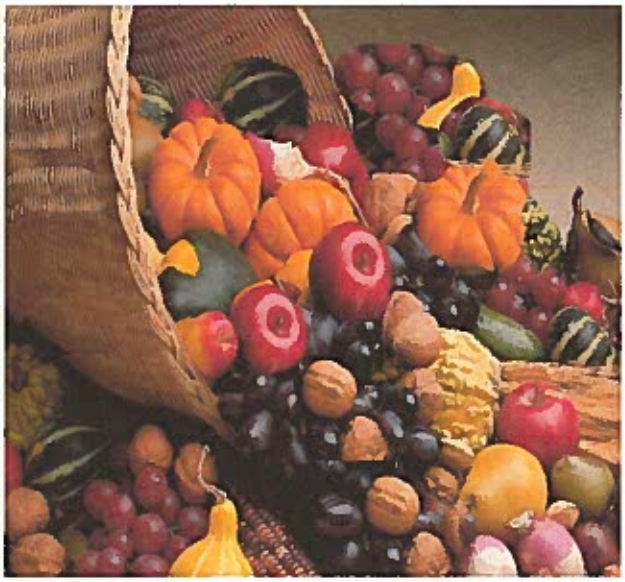
I have opportunities as a child that

most people don't have in a

life time. I have wonderful friends I am

living and have food on

my plate these are only some of the many

things I am thankful for


"I'm not lucky I'm blessed"
