Micah 11/10/15
Mrs. Ranieri

overflowing

I am thankful for... My family because they love me and buy me food and toys. I am thankful for my siblings because they take care of me and protect me. I am thankful for my friends because they are always by my side. I am thankful for my teachers because they teach me math, ela, social studies and science. I am thankful for my home and food because some people dont have neither. Most of all I am thankful for my life because it is exciting.

with thankfulness
