

I Am Thankful For This Year
I am thankful for
this year because my mom still
has a job, still has money, I still can go
to school, and I have a family.

I am thankful for this year
because I have a roof over my head.
For example, if my mom didn't have
a job or money I wouldn't have
a roof over my head. That's why I am thankful
for this year.

I am thankful for this year
because I can still go to school. In
addition some kids can't even go
to school because parents don't have
enough money to afford school. That's why
I am thankful for this year.

Most of all, I am thankful for
this year because I have a family.
Another example is some parents put
their daughters and sons to an orphanage.
That's why I am thankful for this year.
