November 4, 2015

Dear mom,

Did you know I am most thankful for your love? Getting us to school on time. Getting us food to eat. The chicken you make is full of love. It makes me feel like you are by my side. That makes me feel like I am covered with your love. Mom you buy me school clothes and that makes me feel very happy. That is full with your love. Mom what are you thankful for?

Love,

NyIA
