

There are many things to be thankful for this year. Mom and dad are people I appreciate because they work to get money so we can have food and they love us. Someone else I am thankful for is my uncle because he is a veteran. To people I am most thankful for are my brothers because they take care of me and they love me. One last person I am thankful for is my other uncle because he lets me go to his house and watch Sunday football. Hope you learned a lot about who I'm thankful for.
