What I'm Thankful for.

I am thankful for many things. I am thankful for my family, food, clean water, shelter and education.

I am thankful for my family, food, water and shelter because many people don't have these blessings and so I'm thankful. This thanksgiving I will give food to the homeless and needy. Many people, like me have food and shelter. Some people have no food nor shelter.

I'm thankful for my education because some kids in different countries don't have education. There are many things we should be thankful for, we just don't realize it until it is taken away from us. In conclusion this is what I'm thankful for.
