What I'm Thankful for

Thanksgiving, a day to give
to the living
Sharing items to show
we are caring
Turkeys, mashpotatoes, and ham we eat
would be a great and joyful feast
For those who work hard everyday
thank them in a loving way
Police officers, firefighters, doctors and much more
we love you and thank you all

For the people who do good deeds
we give them thanks and great heeds
So grateful for all you have done this year
we hope and pray and double up next year
For each new morning with their light
for rest and shelter of the night
Wishing people the gift of faith
and the blessing of hope this thanksgiving do
