

What I am thankful for

By Ally Friedman

I am thankful for this year because I have great tennis buddies, I have the best teacher ever, and my family. That is what I am thankful for.

I am thankful for this year because I have great tennis friends. For example, whenever I have tennis and my mom can't take me home. My mom asks them if they can take me home and they say of course (she could even sleep over if you want). That is why I am thankful for this year for my tennis friends.

I am thankful for this year and my teacher. She is the nicest teacher ever. For example, when I'm sad she will always cheer me up no matter what. That is why I am I am thankful for my teacher.

Most of all, I am thankful for my family. I could never pick a better family. I love my family. In addition to that even though my family gets on my nerves I really love them. That is why I am thankful for my family.
