What I'm Thankful for

Im thankful for my family because if I didn't have them I would not be alive.Im also thankful for my older brother Miguel becaues he guides me when Im struggling.Im thankful for my teacher because they give me education. They also make me smart. Im also thankful for going to the De La Salle School because all the teacher treat me with respect and they are also nice. I am thankful for my 8th grade buddy because he helps me study Monday memorization. He also tells me the rules of for square when I don't know the rules. His name is Christian Enriquez. Im also thankful that I live in a home and I have food.Im also thankuf for that I haveb't died because "you know you can die any time and any where".

This is what I'm thankful for
