I am thankful for my friends. I am thankful for my friends because they make me feel happy when I am sad. They make me feel better when I am mad. They sit with me at lunch. I am thankful for them because they sit with me on the bus. I am thankful for them because they make me feel better when I am scared. I am thankful for them because I can trust them. I am thankful for my friends because they like almost the same things as me. I am thankful for my friends because they make me laugh because they are really funny. I make them laugh a lot too. That is what I am thankful for this year for thanksgiving.
