Mrs. Olivo Writing

This Thanksgiving I'm Thankful for food and my family. We need food for Thanksgiving and family. If we had no food our family wouldn't be able to eat. I'm glad my family is here for Thanksgiving. If my family wasn't there I will be sad I wouldn't get to see them for Thanksgiving. My family cooks good food for Thanksgiving. The food I eat is turkey, stuffing, cranberry sauce and potatoes. That is what I'm thankful for.
