Dear Adrew Ianza,

I'm thankful for my family because they give me what I need but not everything that I want, they cook me food, and bring me to places like Manhnaten and Brooklyn.

I'm thankful for my friends in 5th grade because they helped me to pass to be in the 6th grade. They even showed me how to do the do now.

I'm thankful for my Mom because she's the one who cheered for me to pass to go to the 6th grade, and sometimes she helped me with my homework.

I'm also thankful for my life because it brought me all the way to the 6th grade, help me with everything and I never got left back.

Sincerely,
Santiago Escamilla
