

# I am Thankful

By Ashlyn Smith

I am thankful for my mom and dad. They take good care of me. They feed me and play with me.

I am thankful for my friends that when I'm sad, they hug me. My friends make me laugh. They tickle me!

I am thankful for my school. At school I can work hard and get smarter and smarter.

I am thankful for the house that we have, so we don't have to live on the sidewalk. I'm also thankful for the roads that have been built, so that we can go places.

I am thankful for my computer and the clothes that my mom and dad buy me.

I am thankful for my life!
