What are you Thankful For?

The shoes on your feet
That you wear every week
What are you thankful for?

The shelter of your home
never being alone
Is this what you are thankful for?

Not sheading a tear
Living without a fear
Are you thankful for this?

Many supporters
With emotions as hard as boulders
Can this be what you are thankful for?

There are those
Walking without clothes
Those going hungry to bed
Those not even going to bed
What should they be thankful?

Thankful for not being
left alone
Thankful for life itself
What are you thankful for?
