I am thankful for . . .

I am thankful for. . .
Waking up on a sunny day
While the day brings joy and laughter
I am thankful for. . .
running though the kitchen giving my mom
a hug and saying "happy thanksgiving"

I am thankful for. . .
sitting with my brother and sisters,
watching the thanksgiving day parade
I am thankful for, , ,
helping my mom fix the table
and see my whole family with me

I am thankful for. . .
sitting at the table and giving thanks
to people who care
