What I am Thankful For This Year

Thanksgiving at our home is always a special time. This is the time family from all over travel to visits and cousins and friends I haven't seen for a while comes to visit.

This day is also the time we eat the hugest meal and everyone fills up on so much. It's a tradition that my grandfather stands at the head of the table and says a prayer and expresses what he's thankful for. Most of the time I'm pretty much the youngest so after my grandfather prayer I'm asked this thanksgiving Day what am I most thankful for.

For me being thankful goes a long way along with blessings. I have 6 things I am most thankful for this thanksgiving.

I am always thankful for all the family that is able to come and share this special day:

I am thankful for my parents:

I am thankful for being able to wake up every day:

I am thankful for the support I get towards my education from my school, teachers and friends:

I am thankful my sister whom is in the Navy is actually going to be around for Thanksgiving:

I am thankful for good health:

I am also thankful for all the positive and good things that have happened in my life and hope it will continue on a positive note:
