

There are many things I am thankful for. Someone I am most thankful for is my mom because she loves me. Someone else I appreciate is my sister because she played Guitar Hero with me. My grandparents are people I appreciate because they buy me sometimes everything I want. HayLee is also someone I appreciate because she is always there for me. Someone else is my friend Brianna because she is almost my step sister.

I am also thankful for my teachers Mrs.Chans and Miss Walker because they teach me things that are not hard. I appreciate Kayla because she comes to me for things. Kaitlynn is someone I appreciate because she is my best friend in the whole world. Adam, my pet, is someone else I am thankful for because when I say come to mommy he comes to me. Last but not least I am thankful for Tyler because he asks me nicely to use my pencil sharpener. There are many things I am thankful for.
