

**There are many things I am thankful for this year. One thing I am thankful for is my be-be gun . I am thankful for my be-begun because if you pump it ten times, you can knock a can down from twenty feet ! Someone I am thankful for is my Grandma Joyce. I am thankful for my Grandma Joyce because every Christmas she gets us about seven things , and my brother , my sister and I get about 19 presents in the morning. Another person I am thankful for is my dad because one night I got to sleep over at his house , we stayed up till 10:55 and watch t.v. and then we went to bed. Another person I am thankful for is my mom. I am thankful for my mom because once in a while she will take us to McDonalds. I am thankful for my friends Austin and Mackenzie because we have the same interests which is building forts.**

**My cat Gypsy is another thing I am thankful for because when you call him he comes to you and sits in your lap. So, it's like having a dog and a cat in your lap at the same time! The last thing I am thankful for is my clothing because my mom buys me the coolest shirts! These are the things that I am thankful for.**
