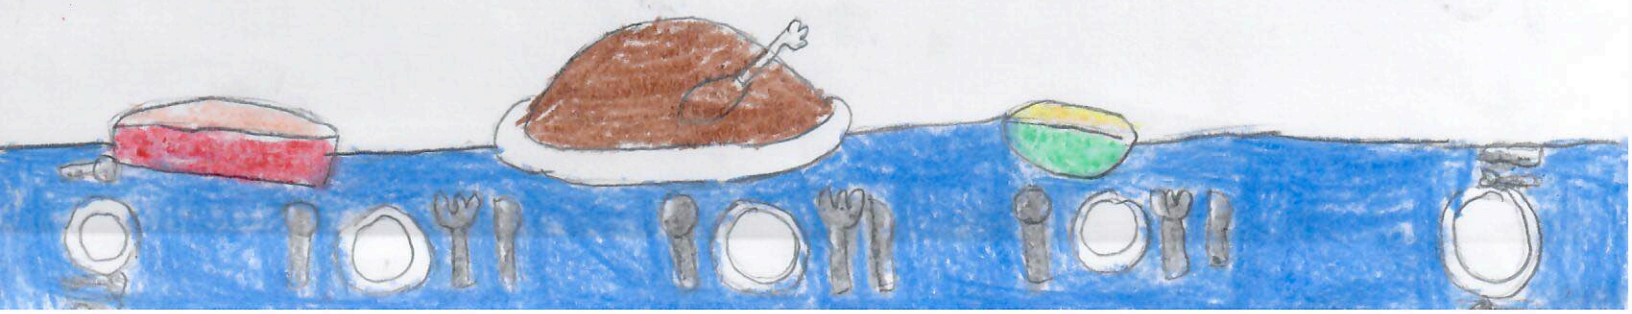
What I Am Thankful For

by Sonjukta Prerona


I am thankful for my family
Who help me at home
I am thankful for my friends
Who keep me company
I am thankful for food
That is savory, delicious and yummy
I am thankful for freedom
That lets me do whatever I want
I am thankful for TV and books
Which keeps me from getting bored
I am thankful for my house
Which keeps me safe and dry
This is what I am thankful for
