* What I'm Thankful For *

What I'm Thankful
for this year is
for my family,
friends, food, clothes
and other things.
I'm also thankful
to be alive.

I cannot wait
for Thanksgiving
to eat ham, turkey,
cane, drink apple
cider, and other
things. Thanksgiving
you get to spend
time with family,
watching movies,
laughing, enjoying
the food.

I feel bad
for people who
live on the streets,
who would not be
with their family,
they would have

to eat somewhere
else. If I was
someone else that
I would not
even know what
Thanksgiving is
all about.

I'm thankful for
everything I have!

* That is what
I'm thankful
for!
