My Family Book
By Eleanor
Russo

I walk my dog, Buster. I pet him when we are on our walks. I love him.

This is my dad. He teaches High School.
Sometimes I visit him and help him
get ready for the next day of school.
I really, really, really love my dad.

This is my mom. I give her kisses.
When I have a day off of school I
have lunch with her at her work.
I really, really, really love my mom.

I love Grandpa and Nani so much because they love me so much. My whole family loves them.

My Uncle [redacted] and Aunt Lyn are really nice to me and they love me a lot. They always give me treats. When I hug and kiss them goodbye, I say I love them alot, too.

How much I love Grandma Peaches and Grandpa Buzzkill-Bill. They love me so much.

I love Babcia and David. They took me to Disney world.

I love my Gee Gee so, so much.
I truly do. She loves me so, so much.

I love my cousins.
They are my best friends.
