Victor 11/10/15
Mrs. Olivo Writing

I am thankful for my Mom. One reason is she is very nice to me. She lets me play with my tablet. The second reason I am thankful is she buys me new shoes. I can put them on when we go to the diner. She also takes me to the movies. We like to eat popcorn and watch the Peanut's movie. These are the reasons why I am thankful for my mom.
