

I am thankful for my community I like to be safe when I pass a house it makes me feel good that is how I feel in Ovid.

I am lucky that I have a school where I can learn and special people like my teachers. My friends are nice to me and I like them back.

My family is a good part of my life. When me and my mom were in a car accident, another car came into the front of my Mom's car my mom was screaming for help because I had hurt my leg. My aunt had taken me to the hospital.

The military helped us stay safe and they helped our state with the war.

I am thankful for many things .
