

Thankful for my family

How do you give love?

And you are the only one for me.

No one can stop me from loving my mom.

Karla is my mom's name, and I'm thankful for her.

Sometimes I love my brother.

Giving love is nice.

Is your mom thankful for you?

Valentine's Day is for love, but I love Thanksgiving.

Isn't Thanksgiving so special?

Now I love everybody.

Giving is like sharing. Sharing is like loving.
