

I Am Thankful For This Year

By Ethan Bennett

I am thankful for this year because my mom spends time with me on Saturdays, Abuelo this summer, and I am going to Orlando in January.

I am thankful for this year because my mom spends time with me on Saturday. For example, last Saturday me and my mom went to Riverhead and we ate at Pizza Hut. Also we went to Walmart my mom bought me a journal to make fantasy books.

I am thankful for this year because Abuelo came this summer and I haven't seen him for 4 years. For instance, this summer I pick him up in Bridge Hampton and we went to Stony Brook to see my sick uncle.

But most of all, I am thankful for this year because I am going to Orlando!
