

I am thankful for many things. I am thankful for my family. I want to thank them for giving me food and water because they keep me alive. Also for always being nice to me. Finally, I want to thank them for always being nice to me.

Also, I am thankful for my friends. I want to thank them for always being nice to me, keeping me company and playing with me.

Finally, I am thankful for my clothes. They keep me warm so I don't get sick. They aren't ripped or torn and I have a lot of them. This is what I'm thankful for.
