

*I'm thankful for many things. One of the things that I'm thankful for is my house. I'm thankful for my house because many people are homeless and I have a big house. I'm lucky too because my grandparent's live right next door.*

*Another thing that I'm thankful for is my friends. I'm thankful for my friends because a lot of people don't have friends. My friends help me and they cheer me up when I'm sad.*

*Lastly I'm thankful for my family: my mom, my dad, my three cats, and my dog Angel because some people are orphans and some people don't get to spend time with their family. Those are only some of the things I'm thankful for. I'm thankful for many more.*
