

Thanksgiving isn't just about turkey and stuffing...It's about the people and things you are grateful for! God gives us so many things in life that we just had to have the holiday of Thanksgiving! Some of the things I'm thankful for are birds that sing sweet songs and play beautiful melodies! My family is another thing I'm thankful for. They keep me company when I'm alone. Rain is something else I'm thankful for. It helps us grow our plants and feeds the animals. I'm so thankful for sunlight! It is just a beautiful part of nature! I'm thankful for sunlight because it keeps us warm and gives us light so we can see. It also wakes us up to a new day! Trees, trees, trees! What would we do without trees? I'm grateful for them because they give us wood for our homes. Books are also something I am thankful for! They give me an adventure to read when I'm bored! Food is something else I'm thankful for. I can't live without it! It gives me something to eat! Oh, my teacher, Mrs. Cooke! She teaches me something new every day! I am so lucky to have her! Remember Thanksgiving is a holiday of thanks! I am sure the only things in the world who don't like Thanks giving are the turkeys!
